

SUMMER JOB AT LABDARA **GERIATRIC RECREATIONAL AND** **LEISURE ACTIVITIES COUNSELOR**

Tasks and Responsibilities

Labdara Lithuanian Nursing Home is looking for a summer youth staff to work in conjunction with our permanent staff to provide assistance in planning and implementing recreational activities for our elderly residents.

The summer students will start with an orientation to the home and the existing recreational activities, as well as an overview on general policies, expectations, code of conduct, safety policies and infection control protocols.

The students will be coached by experienced staff on how to create a recreational activity geared to the elderly and how to implement the programs. During this coaching period, the student will assist with the residents and recreational activities to become more comfortable and independent to run existing programs once trained.

Half way through the position, the student will be asked to create a recreational activity. They will present this idea to the recreational team and manager, the staff will assist in actualizing this programs. The Student with the support of the staff will run this new program and by the end of the position we expect the youth to be able to independently run a program with the residents.

Approx 30hrs per week at minimum wage 16.55\$/hr
